

Justification for 5.3.1.1

The institute is quite unhappy to give the justification.

The reasons are as follows.

- The sudden outbreak of covid-19 in March 2020 in India.
- The government decision was to keep the institutions closed for certain span of time. It was around two years that is 2020-2022.
- The teaching and nonteaching faculty were not physically present in the institute.
- The students were not physically present in the institute around two years therefore we didn't conduct any cultural and sport activity.
- The institute was not facilitate to the students to conduct any other activities therefore the answer of this question is nil.
